Description of the artists' house

The Musa Ngum artists' house, operational since November 2022, is designed to boost the cultural activity of the Alliance Française de Banjul, enabling it to contribute more to Gambian cultural life. The reception of artists from all horizons and disciplines contributes to the affirmation of the Alliance as a privileged place for inter-cultural exchanges.

It is located in the garden of the Alliance Française and can accommodate up to three people simultaneously. The living room and rooms 1 and 2 are cleaned once a week by an Alliance Française cleaning lady. Room 3 is occupied by the Alliance's cultural coordinator, who shares the house with the artists in residence.
